

**Sunday, March 11, 2012, 2 pm**

## **Get into the BUZZ of the Civics Bee**

**Gather a Team and Test the  
Sharpness of your Civics Knowledge**

We've received positive feedback and interest from community members about our planned Civics Bee, but many were encouraging us to provide some more lead time. We've responded by scheduling a **new date** for the Civics Bee, for **Sunday, March 11 at 2 p.m. at Acton Town Hall**. This will give everyone time to put teams together, study up, and be ready to celebrate civic participation in the month of March in the midst of Presidential primary season and local elections and Town Meeting.

The League of Women Voters encourages civic engagement in all aspects of our government, and we're now offering residents in our communities a chance to come together for a fun afternoon of friendly competition to help you engage in government – how much do you remember from your social studies and civics classes? Our **Civics Bee** will give you a chance to claim bragging rights for you, your friends, your neighbors, or your town group.

Application forms and resource materials are posted on our website ([lwv-aa.org](http://lwv-aa.org)). If you are interested in participating but don't have a group, please return the form and we will work with you to put together a team. Come cheer on your community as we set out to find out how much we all know about our national, state and local government, the Constitution, our nation's history and geography, current economics, our elected representatives and what they all do. We invite you to come join with your neighbors and friends for this fun community-building event with friendly competition. Prizes will be offered to all teams who compete.
