

COME TO MEMBER MORNING *

Saturday January 21st 10:00am – 11:30 at Acton Memorial Library

Learn how the League works.

How we reach policy decisions. What's a 'study', a 'conversation'? How our local League works with State and National chapters. How do we take action. How are we organized.

Listen to what we'll be doing in 2012.

It's a big election year so we can be sure that voter registration and citizen education will be on our agenda. What else are we up to?

Share your ideas

Connect with others to bring some of those ideas to action.

Find a place for you

Whatever your interests or level of busyness, we can find a way for you to help the effort. Come talk to us about what jobs or tasks appeal to you.

Eat and drink

Or just come and share a cup of coffee and pastry with us.

* Prospective members are also welcome – so bring a friend.
